

## **GIB® Rondo® Stopping Angles**

The GIB® Rondo® stopping angles are metal angles with perforated flange to create strong straight and tidy finishing edges to GIB® plasterboard linings.

Stopping Angles/L-Trims as plasterboard end trims

P25 - 10mm plaster stopping angle 3.0m (#14941)

P26 - 13mm plaster stopping angle 3.0m (#14942)

P27 - 16mm plaster stopping angle 3.0m (#14943)
